

Summer 2013 Tutoring

With our **one-to-one tutoring**, your students can participate in all their favorite summer activities AND get a leg up on academic skills and test preparation!

Summer is a great time for students to **make up academic ground, prepare for an upcoming course, work on a weak skill area, or do enrichment work.**

Our expert tutors are available at [students' homes](#) throughout the Delaware Valley, at our offices in [Jenkintown](#) and [Gwynedd](#), or online via our [iCollaborate Virtual Classroom](#).

This is a partial list of subjects and tutoring programs offered by A+ this summer

- Test Prep: PSAT, SAT, ACT, ISEE, SSAT
- Math, Reading, Writing Skills - All Levels
- Academic Coaching and Study Skills
- Make-up Courses and Original Credit Courses
- Math Booster
- Grammar Booster
- Vocabulary Booster
- Write Better Essays
- Academic Subject Tutoring (all school subjects)
- Wilson Reading System

At A+, we work with students and families to design a **customized program of one-to-one instruction** to meet their specific goals for the summer.

Families are encouraged to call today to discuss their student's needs and to schedule a free consultation. We recommend reserving a tutor early for the summer, as schedules fill up quickly.

Since 1992. The + in A+ is the personalized and customized attention given to each student.
